

NUNO BEAD MEDITATION WORKSHOP

1 day with Nancy Ballesteros, Perth, Western Australia

9 April, 2022 Venue: Fremantle Fibonacci Centre
19 Blinco St, Fremantle (9:00- 3:00)
Questions email: nancy@treetopscolours.com.au

Come along and learn the art of Nuno felting luscious fibres and fabrics into an A4 size mosaic of texture and colour. Experience the pleasure of digging into our stash of fabulous fabrics - you can even bring along your own sentimental fabric pieces. The resulting mosaic will form the basis from which our beads will emerge. We will explore techniques for manipulating and stitching the fabric mosaic into beads. There will only be enough time to construct a few beads on site as each unique bead is a slow mediation of creation.

No previous felting experience is necessary. Basic hand stitching skills is handy. All felting equipment supplied.
